

Class Baskets for the Auction

Donations due by February 22nd!!

- See the list below for your child's class theme.
- Baskets will be on display during parent-teacher conferences.

All of Runyon is gearing up for the Spring Auction. This is an exciting time! The auction gives us a chance to come together and do something important for our children.

Each class puts together a basket of donated items (new only, please) that follow a theme. The baskets are then auctioned off. These baskets are always a big hit!!

Send items to school between now and **February 22nd**. Be sure to attach a note with the teacher's name. You can donate items on your own or go in with a friend for a larger item! Creativity is encouraged!

So far, we have collected a few items, but we need more!!! We are also in need of baskets or other containers, cellophane wrap, ribbon, etc. A list of the themes for all the classrooms is attached. If you have an item that works for another class, feel free to donate. Just attach a note with that teacher's name on it!

For any questions, contact Susanne Spence at susannemspence@gmail.com.

Thank you for your help and see you at the auction on April 10th!
